2020-2021 Foundation Academy Athlete/Parent Contract and Code of Conduct

Participating in Foundation Academy sports is a privilege. Responsibility comes with that privilege. The following principles are understood to be in effect for an athlete involved in Foundation Academy interscholastic sports:

A current FHSAA sports physical form (EL2), Consent and Liability From Liability (EL3), CR from Concussion (EL3) CR Sudden Cardiac Arrest/Heat Related Illness (EL3) CR from Liability (EL3) (FBCWG/FA Release Form), FA Athlete/Parent Contract and Code of Conduct are required prior to participation in practices or games. Student must show proof of insurance to play. Appropriate documentation is required to be included on the FHSAA sports physical form.

Athletic fees and additional team expenses must be paid promptly. Practice and/or playing time may be restricted until all fees are paid.

Uniforms and equipment distributed to the athlete is the responsibility of the athletes and the parents. **Distributed items must be returned within one-week post season.** Replacement of lost or damaged uniforms and or equipment is required. The Athletic Department will determine costs. Failure to comply will cause grades to be withheld until returns or replacement costs are complete.

Due to the varied talents of athletes on each team, playing time is not guaranteed. It is the intent of each coach to give each player quality minutes during the season. **FA administration will enforce the 24 hour policy which requires a 24 hour period to pass before complaints or frustrations are discussed with the coaching staff.**

Excused absences include illness and death in the immediate family. Any other absences need the coach's prior permission to be excused. Please schedule vacations, doctor and dental appointments, etc. so as not to conflict with practices and games.

Grade checks will be made periodically. **Parents are asked not to withdraw any student for the reason of grades,** without first speaking to the coach. Replacement is impossible once the season begins. If discipline is needed, we ask that you be creative and find ways to punish the student without punishing the team and the coach.

TRANSPORTATION Policy: I understand that as a parent that it will be my responsibility to transport or make arrangements to transport my son/daughter to and from all practices and games. The school may provide transportation on limited occasions for games or events; however the cost will be incurred by the parents.

Appropriate sportsmanship is required of every athlete and his/her parents at all times. The FA athlete and parents have an obligation to conduct themselves at all times in a manner that is pleasing to God. Inappropriate attitude and/or behavior including public negative comments towards or about any Foundation Coach, Team, or Athletic Department, or an FA opponent may cause an athlete or parent to be removed from the competition area and/or future athletic events. The Coach and/or Athletic Director have the final decision in such matters.
