

Dear Families,

Did you know that many students lose a month or more reading proficiency over the summer? Thankfully, keeping kids engaged with books can stop the summer slide and keep them growing academically.

This summer your child can read books and complete different activities based on their grade level. If students fulfill their summer reading requirements for their grade level, they will earn a casual day when they return to school in the fall. The student with the highest AR points for each grade level will be recognized during Chapel this fall and will also receive an additional casual day.

AR quizzes can not be taken over the summer. However, students may take tests when they return during the first week of school. These points will not count towards their first nine week goal. However, they will count towards the year end total for the 2023-2024 school year.

Attached is your child's grade level optional Summer Reading Challenge. I hope you have a blessed summer and enjoy reading at least 20 minutes each day. I look forward to hearing about what books you read!
