### 2023 - 2024 FEES (CON'T)

**Dual Credit:** University admissions, registration and transcripts not paid by FA.

**Testing:** FA virtual program students are required to have standardized testing every year. FA virtual program offers PSAT and Residual ACTS for 8 – 11 grade students in the fall for a fee (see reverse). CogAT/Iowa testing if offered for 6 – 8 students in the spring for a fee (see reverse).

**Financial Obligations:** The application fee is due at time of application. The enrollment fee is paid online when enrollment packet is submitted, this fee cannot be added to the parent FACTS account. All families are billed and remit course fees and any additional fees through their FACTS account.

You will create your FACTS account during the enrollment process.

FACTS Management Yearly Account Fee, \$53.00, paid to FACTS.

Payments must be processed automatically through FACTS.

If a family member is paying the tuition, you can add them as an authorized payer on your FACTS account.

Remittance of account balance is required prior to starting courses. All payments are non-refundable and non-transferrable.

Tuition Assistance is not available for FA online virtual school.

State Scholarships may restrict the enrollment of virtual classes, please see the Finance Office with any questions.

**Current FA Student Transfer to FAVL:** Deposits and payments made towards tuition/curriculum are non-refundable and not transferrable to FAVL.
