Building a Foundation for Life

Foundation Academy Virtual Learning

Foundation Academy ranks consistently among the top private Christian schools in Central Florida. Foundation Academy is proud to be a Kingdom Education school.

In 1958 Foundation Academy opened its doors to the students and families of Central Florida. We intended to treat and teach each child as a unique creation in Christ and partner with parents and the church to build a foundation for life; over 65+ years later, that remains true.

Foundation Academy, a K-3 through 12th-grade private Christian school, was founded in 1958 as a ministry of Winter Garden's First Baptist Church. All grades were housed at the church campus until 2007, when the Upper School grades moved to a new 70-acre property in south Winter Garden. In 2019 a third campus began at Family Church Windermere, Lakeside campus, and served K - 6th grade. Currently, Foundation Academy serves 1100 students in grades K-3 through 12.
