EXTRACURRICULAR ACTIVITIES

CHESS CLUB

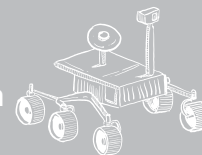

Grades: 2nd - 6th

Beginner and experienced players are welcome and all equipment is supplied by Chess America. Each class consists of a fun, interactive learning period followed by supervised game play.

ROBOTICS CLUB

Grades: 3rd-6th

Students will learn the fundamentals of STEM, coding, and engineering through hands-on activities using the Vex Go robotic system.

DRAMA

Grades: 2nd - 6th

Students will practice teamwork and empathy as they build confidence and develop artistic skills as a part of a vibrant school wide Theatre program. Rehearsals are after school and culminate in a live theatrical performance!

MUSIC PROGRAM

Grades: 1st - 6th

JS Music Education provides students with opportunities to work with violin, piano, guitar and ukulele. Students can select one or multiple instruments and/or lessons.

LEGO CLUB

Grades: K5 - 3rd

Lego Club Master - Builder challenges/programming

MATH CLUB

Grades: 1st - 5th

Math Club provides your child help with math homework and prepares your child for their upcoming math assessments. Each quarter we offer seven week sessions.

Foundation Academy Youth Athletics

Grades: K5 - 6th

Our Lion Pride Sports Development program offers Strength and Agility training, Basketball, Flag Football, Volleyball and Soccer. Students receive a t-shirt for workouts.
