

## Foundation Academy

Foundation Academy hosts an annual school-wide online auction, which showcases a variety of experiences and opportunities for engagement. We would be thrilled to have your company join us by donating an experience, service or Gift card!

The auction supports our students, teachers, Fine Arts programs, Athletic Boosters programs and Parent Association. These programs support the 1,200 students, on three campuses, and 200+ staffers/educators. As an auction item donor, your business/or personal name will be featured on the auction website, include a written description featuring your donation and have marketing exposure to an audience of over 10,000 individuals, families, grandparents, alumni and businesses locally and nationally.

By making this auction donation, you will demonstrate your commitment to our students developing academically, spiritually, physically and socially. You will also be a champion for an organization that has been serving the community for over 65 years.

Many thanks for your consideration in donating an auction item to our event. If you have any questions, please contact:

Director of Family Enrichment, Liza Gibbons
